Please donate to the

London Churches Refugee Fund

2018 CHRISTMAS APPEAL

LCRF gives small grants to organisations working with destitute refugees and asylum seekers, including women and children. Your donation will be spent on essential items for them, such as food, travel cards, phone top-ups, nappies and baby milk

Asylum seekers receive less than £6 per day to live on while their claims are processed. Faced with the 'hostile environment', many fall through the cracks into destitution. The British government uses destitution as a deliberate policy against vulnerable people.
